Welcome to the 2010 Season!

MHS Football 2010-2011 Season Goals

This is a quick synopsis of the MHS Football 2010-2011 needs and goals for the season. Please remember that if your student athlete participates in a sport, you are expected to help through out the year to support that sport and the MHS Athletic Boosters.

Fundraising: This is a critical year for football fundraising. As a team (Varsity, JV and Freshman) our goal is to raise \$20,000-25,000 this year.

•**Student Athlete Participation:** Team (all levels) will be selling discount cards this year, last year's fundraiser raised \$18,000

and is expected to do even better this year. Cards proved popular all year, advertisers could see the results as people used them.

- **Parent Participation:** A very profitable fundraiser is selling field signs. Attached please find the order form. If you work for a local company or frequent a local company that may be interested in advertising, please talk to them about purchasing a field sign. The rates are low, and our school is very loyal to supporters.

Volunteers (Chairs):
Chain Gang: Don Goff
Game Day Meals: Masako Johnson and Julie Davis

Booster Reps: Varsity—Ludwicks, JV—vacant, FR—vacant

Treasurer: Cy Ferenchek and Leslie Johnson

Coaches Support:
 -Lining Fields
 -End zone camera (V only)
 -Statistics (2 per level)
 -Video Analyzer (V only)

Banquet: Vacant
Concessions: Team Reps will be happy to know that this year in addition to paper sign up—we have gone electronic!

Varsity Team Meals

Varsity will be the only team participating in Game Day Meals. Game Day Meals is a reward for those athletes who have committed to the program and worked hard to achieve the Varsity Level. JV players who will be suiting up for Varsity Games after JV Practice will have plates saved for them (please let Mrs. Johnson know how many). JV and Freshman teams are encouraged to arrange for rides, carpools or to pack a meal if they must stay at the school until game time.

Booster Reps

Each team is required to have a Booster Representative. Duties include attending monthly Booster meeting (all year), communicate with your team about Booster Activities and requests for volunteers. For example, General Boosters will request volunteers from all MHS teams to participate in Apparel Sales, Golf Tournament, Bazaar, Varsity Banquet and Concessions. These activities are vital to the health of MHS Athletics.

Coaches Support

Contact Coach Patrick to assist coaches on various field related tasks each week starting in August including:
Lining the practice field
End Zone Camera Varsity Level
Statistics (2 person team Varsity) – Spotter and Stats; requirements @ 1 hour a week plus games
Video Analyzer (Varsity Level) – requirement about 1 hour per week

CONCESSIONS AND TICKET SALES

Throughout the year, each MHS Athletic team is required to work concessions and ticket taking for their team. Concession Sales are one of the biggest Booster fundraisers annually. Football is in the unique position of having other Fall Sports help with their concessions during the season. This has **reduced** the level of support by football families to 5 concession volunteers and 2 ticket takers/game/level.

Varsity Parents will work concessions and tickets during JV Games. JV

parents will support the Freshman Games; Freshman parents will support the Varsity games so parents will not have to miss watching their athlete’s play.

You can now sign up for concessions online! Benefits of the online sign-up is the ability to communicate with others if you need to trade a day or time. Paper sign-up sheets will be available also at Fall Parents Meeting.

Any family not signed up will be assigned a date and time. If you cannot make

your scheduled shift, you are responsible for finding a replacement.

The schedule of volunteer times is available on www.mcleanactivities.org (click on Boosters, then on Volunteer and select Fall Stadium Field Concessions)

Please e-mail Jennifer Bargerstock if you have any questions at McLeanHSconcessions@gmail.com .

END OF THE SEASON BANQUET AND AWARDS

Each season, we end by coming together to celebrate each team’s achievements with a Banquet and Awards Ceremony. Each level team (Varsity, JV, Freshman) will need to provide volunteers for the End of the

Season Banquet. Volunteer Positions include:

Chair or Co-Chairs

Food Committee

Decorations/Invitations/Programs

Coaches Thank-you Set-up/Clean-up

Let Jennifer Bargerstock know if you are interested in being on the committee.

GENERAL BOOSTERS NEWS

Many people think that the Athletic Budget of McLean HS is funded by our Tax Dollars through FCPS. However, the truth is that county funding pays **only** for small coaches’ stipends, game officials and transportation for athletic events. The remainder of the athletic budget is supplemented by Booster fundraising dollars. In 2009-2010 Boosters gross revenue was over \$125,000 with expenses over \$95,000.

What did this money buy?

Last year, Booster funds paid for things such as uniforms, field maintenance, the Varsity Sports Banquet, coaches’ and trainers’ clinics, and safety equipment. Boosters also support efforts such as coaches and player awards, Varsity letters, trophies, and scholarship awards. In addition, your Booster Club funded many Capital Improvements such as the installation of Bermuda grass, new weight room equipment, landscaping and tree removal.

What does this mean for the Student Community?

McLean High School has dozens of athletic teams; all of which contribute to the spirit and energy of our high school community. Most likely your student’s high school years have been or will be enriched by the Local High School athletic program through participation either as an athlete or a fan.

How can I support the Boosters?

McLean High School STADIUM FIELD ADVERTISING

Quality Field Signs: All signs are approximately 42” by 96” and hang on the fence surrounding the football field. Positioning is on a first come, first serve basis. Signs are constructed using an “alumi-lite” material which is much sturdier than vinyl (6 yr. guarantee) and displays graphics on both sides. It is visible year-round and will be seen by fans of McLean’s 3 football teams, track, soccer, and lacrosse teams, as well as by community joggers/runners on a daily basis. MHS Stadium field is also used by community groups, district tournaments, and is expected to be able to host many more once the Turf Field is installed.
